Sale of unsold lots from Auction A150

Auction A150 has been successful, selling £2,311 of material. But much good material remains.

I have been asked to try to find homes for the remainder, to facilitate resolving several “Widows & Orphans” sales and create some space. This is a strictly FIXED PRICE sale, first order secures!

A table of the results of the Auction (closed last night) is below. This should enable bidders to work out what they have already won. Note that orange highlights were the original cheap ‘fixed price’ lots. If your offer wasn’t the first received, no matter how much you bid, you won’t be receiving it!

Blue highlight means two equal ‘high bids’ for the same item were received. If your bid was received first, you are the winner! If your bid was later – hard cheese!

NOTE ALL (already low reserves) HAVE BEEN REDUCED BY UP TO 50%!

THE EARLY BIRD ALWAYS IS THE ONE WHO GETS THE WORM!

This extended sale ends on Friday evening. If you don’t want to wait for your Auction wins and don’t want anything in this sale, contact me and I’ll get your wins in the post to you. Otherwise I will, of course, invoice you and combine postage.

Note that the descriptions have been truncated to reduce the size of this list. Check the full description on line. Also check payment instructions etc.

Have a Jolly Early May holiday!
