INFORMATION FOR BIDDERS AND VENDORS

If you would like more information about any of the lots, please do not hesitate to contact me. Photocopies of lots not accessible on the internet can be supplied at 10p per sheet (plus postage).

Prices in the final column of the listing are reserve-prices in British Pounds. The reserve-prices are a safety-net for vendors, and are usually set low. They are not an estimate of value, which would normally be much higher. Lots will be purchased for you at the lowest-possible price, i.e. at the reserve or at one bidding-step above an underbidder. If equal bids are received for a lot, the first I receive will take precedence. **There is no buyer's premium.**

You may bid by post or by e-mail (but not by telephone please). E-mail bids will be acknowledged; if you do not hear from me within three days, please contact me. The bidding-steps are at the top of the bidding-form. Bids not conforming to bidding-steps will be rounded up to the next step. Payment by UK buyers will normally be by sterling cheque. UK and overseas buyers may pay by VISA card or Pay-Pal, for both of which there is a service charge. Details of these charges can be seen in our journal **AUSTRIA** and will be sent with your invoice.

If you have material to sell, please note that we charge only 10% commission plus a lotting fee of 10 pence per lot (plus the return postage of unsold lots where applicable).
