101	1850	A 'starter collection' of over 120 stamps with Styria cancels 1850-1918. All today in Austria. Much from 'skart': many high values. Many GRAZ, but still with better cancels. Some scarce offices! Condition - see scan - many first class! Perfs? Papers? Shades? Who knows?!	£6
102	1859	Fifteen stamps 1859-1882 with good - excellent Galician cancels, some better. [One is Komárno, Slovakia] Values 2kr-15kr. Three stamps with faults noticed, the rest look OK. See scan)	£13
103	1883	50 kr p.10 'braunlila' [ANK 49b = €150] Slight faded (pigment light sensitive) but good copy.	£20
104	1899	1899 high values 2x1 K, 2 K, 4 K grey green all good used [ANK 81-3 = €26]	£5
105	1948	"25th anniv. Death of Ziehrer" NHM corner block of four with listed plate flaw (top RHS under "E" of Ziehrer) (Mi.855.II=€14)	£4
106	1948	Salzburg Cathedral [ANK 931-8 =€10] set of 8 LMM	£2
107	1949	Child Welfare set of four [ANK 941-4=€100 as **] fine & fresh UMM	£13
108	1949	Child Welfare set of four [ANK 941-4=€40 as Imm] UMM but 1S40 has gum disturbance at LHS. Fresh .	£8
109	1949	Child Welfare set of four [ANK 941-4=€110] Very fine used. Scarce thus.	£14
110	1949	Prisoner of War and Home Returnees set of 4 [ANK 949-52=€20] LMM.	£4
111	1951	Reconstruction set of four [ANK 977-80=€88] very fine umm. (3 stamps are marginal)	£12
112	1953	"Day of the Stamp" NHM corner block of four (Mi.995 = €32)	£7
113	1955	State Treaty pair NHM LH stamp is listed spider's web flaw [ANK 1026.I + normal €14]	£4
120	1890	23 odd Austria / B&H / Feldpost stamps	£1
121	1958	Blackprints:- (stamps) Winter Sports (1958-2004) 21 Stamps. (not on sheets)	£9
122	1967	Blackprints:- (stamps) Salzburg - events & anniverseries (1967 - 2001), 16 stamps	£8
123	1851	0.6 kr Blue Mercury. Vendor says type I. Looks like type II to me. But a nice used copy with 4 margins. [ANK 6.I or maybe 6.II. At least €145]	£30
124	1858	Austria Newspaper stamp 1.05 kr Blue, mint, lightly hinged, good margins. It is Type 2 and thus can only be a reprint or a dud. But it appears genuine and is sold (on the usual basis) as a GENUINE REPRINT. It has a big blu-eye plate fault. Judging by the colour & other features, It might well be the rare 1866 reprint (ANK €410) but NOT offered thus. Cheapest is 1894 (ANK €20).	£5
125	1860	Three copies without gum of the 1.05 kr Newspaper stamp ANK 23. All have good embossing. Two are light grey (little 'lilac'), one with wide margins but thinned, one with tight margins & a little grubby. Both are a little foxed. If either of these are 'as issued' they will be ANK 23a [Cat €235 as mounted mint.] More likely they are the 1894 reprints cat €7 each gummed, €1.40 ungummed. The third is a better shade, probably brown violet. If 'as issued' ANK 23e €700 MM. More likely a reprint (1870? Can't be 1886 which has strongly yellow paper) The 1870 €70 (with gum). Unfortunately a diagonal crease has started splitting at the top! Hardly worth expertising!	£10
126	1885	Newspaper Tax. Front page of 1885 Gartenlaube with 1877 1 kr. Blue (margin wide at top, part missing at btm. Plus large piece w. 2 kr. Green type II (margins tight but intact left & btm) plus loose stamps, another 2 kr. Type II (good margins) (both of these cancelled KRAKAU); 2 kr red L&V canc PADOVA (margins OK); 1856 1 kr blue (margins good); 1877 1 kr blue & 2 kr red-brown (margins OK) and the 1890 pair, 1 kr red brown on small piece & 2 kr blue (very close rhs). Good group, cat at least €150.	£24
130	1918	From a stuffed stockbook:- Accumulation of a couple of thousand (?) Austrian definitive stamps 1918-1937. Obviously worth checking for shades (see scans!), flaws, papers, perfs etc. Some better stamps [several ANK511=€16!] and condition appears very good!	£15
		REVENUES	
131	1898	Nice duplicated group of Austrian revenue stamps to 1898-1934 (73 stamps). NEVER SOAK DECAL PAPER COPIES	£5
132	1922	Good copies on paper:- 1922 Austrian Revenues 2,000 K (2) & 5,000 K. (5) including good block of 4. [Barefoot=£3.50 each stamp] NEVER SOAK DECAL PAPER COPIES	£3
133	1924	Four good copies on paper:- Austrian Revenues 100,000 K [Barefoot=£35 EACH] odd bad perf, as usual with brittle decal paper. nice used. NEVER SOAK	£24
134	1924	Fine pair of Austrian Revenues 200,000 K, [Barefoot £50 each] odd bad perf, as usual with brittle decal paper. nice used. NEVER SOAK	£24
135	1868	25x18 cm maroon stockbook with a collection of Hungarian Revenue Stamps 1858-1934 (mainly pre-1918). There are some adhesions on the cellophane strips in the stockbook but all the stamps appear to be in good condition. Some better stamps. Around 295 stamps (+ an odd Jugo!). Unchecked for wmk, perfs, varieties. A few earlier sets are in the front - and the back of the book. But almost all different!	£30
136	1886	Small duplicated group of Hungarian revenue stamps to 1903 (25)	£2
